(Trained in Electrical work, Data entry operation cum Tally, sewing machine operation, solar technician, Welding and forklift operation)

**Thoothukudi, October 21:** Toady, Sterlite Copper, has organised course completion certificate distribution to 161 trainees in Data entry operations cum tally, Electrician, Solar technician, Sewing machine operation, and Welding. Mr. M.Kalimuthu, District employment Officer, Thoothukudi and Ms. Sylvia, Managing partner, Arvinth Hero, Thoothukudi distributed certificates to the trainees in the presence of Mr. P. Kumar, GM-Projects, Sterlite copper

As part of continued care to the community Sterlite Copper started "TAMIRA MUTHUKKAL " project with the objective to mobilize, motivate and train unemployed, unskilled youth and facilitate suitable employment linkages within or outside the district after equipping them with enough skills in various trades. IL&FS is the partnering institute in imparting training courses and out of the 161 trained youth 130 youth got employment with an average salary of Rs.8000/- Month.

Sterlite Copper has woven the sense of social responsibility into its business fabric right from its inception. The company believes that business objectives should include overall development of communities around its surrounding areas. The aim has always been to go beyond mere 'corporate social responsibility' to understand the real needs and genuine concerns of the people and provide the necessary stimulus not only to address these issues but also to ensure social involvement, acceptability and sustainability. Sterlite has identified various focus areas in Corporate Social Responsibility (CSR) - Education, Health, Child care, Livelihood, Women empowerment, Agriculture, and Infrastructure.

**Cut Line:** Ms. Sylvia, Managing partner, Arvinth Hero, Thoothukudi distributed certificates to the trainees.

**Disclaimer**

This press release contains “forward-looking statements” - that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
