**Sterlite Copper Celebrate World Environment Day**

**Thoothukudi, 5 June 2017:** Today, Sterlite Copper has celebrated world Environment Day at Its premises. Program started with Flag Hoisting by Mr. P. Ramnath, CEO Sterlite Copper. While addressing the gathering he emphasized on the importance of the day and reinstated for all our commitment for the protection of environment and responsible utilization of resources. He also told that our planet is the only planet, which has all suitable living conditions for human being. Further, he said that we should be happy for the given opportunity to live in this planet and remind all that everyone is having the responsibility to conserve our mother nature for the future generations.

Sterlite Copper, as part of Environment Day celebration has planted 600 various species of tree saplings in green belt area and distributed 500 saplings to its employees who participated in this celebration. On this occasions company has recognised personals known as green warriors for maintaining green belt area. Various competitions also was conducted for employees to enhance the awareness on environment amongst them

Mr. Anshu Goel - COO, Mr. Anup Agarwal - CFO, Capt Sonica Muraleedharan - Head HR and more than 500 employees from sterlite Copper also participated in the event.

**Disclaimer**

This press release contains “forward-looking statements” - that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
