Sterlite Copper Organizes Blood Donation Camp on World AIDS Day

Thoothukudi, Dec 1: Sterlite Copper, a unit of Vedanta Limited in association with Blood Bank, Thoothukudi Govt. Medical College Hospital and Indian Medical Association organized Blood Donation Camp on World AIDS Day at Blood Bank, Thoothukudi Govt. Medical College Hospital.

Mr. Kumaravendan, General Manager, Sterlite Copper and Dr. Senthil, Medical Officer Sterlite Copper inaugurated the blood donation camp by donating their blood. 65 employees from Sterlite Copper voluntarily donated blood.

Globally, an estimated 36.7 million people have the HIV virus. Despite the virus only being identified in 1984, more than 35 million people have died of HIV or AIDS, making it one of the most destructive pandemics in history. World AIDS Day is important because it reminds the public and government that HIV has not gone away – there is still a vital need to raise money, increase awareness, fight prejudice and improve education.

Dr. R Kailasam, Chief Medical Officer & Head CSR, Sterlite Copper, Dr. Santhi, Medical Officer, Blood Bank, Thoothukudi Govt. Medical College Hospital, Dr. P Kumaran, President, Indian Medical Association, Thoothukudi and, Dr. Arulprakash Secretary, Indian Medical Association, Thoothukudi were present during this program. The event is solely the contribution of the employees of Sterlite Copper in extending their support for the welfare of the community.

This press release contains “forward-looking statements” - that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward–looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
