Press Release

Sterlite Copper takes effort to preserve Religious heritage of Thoothukudi

(Contributes Rs. 15 lakhs for Sivan Temple Renovation)

Thoothukudi, 7 July 2017: Sterlite Copper as part of its commitment towards local society has taken up various initiatives to preserve the rich cultural and religious heritage of Thoothukudi district. On 7th July 2017, Sterlite Copper has contributed Rs. 15 lakhs towards renovation work at Sivan Temple.

Mr. Sujit Patil, Head - Corporate Communication, Vedanta Limited and Mr. C. Murugeswaran, Head - Projects, Power and PR, Sterlite Copper handed over the cheque to Mr. PSSK Raja Sankar Lingam, Mr. Ramesh, Sri. Subramaniam Pattar and other Temple Committee members & administrators.

In addition, Sterlite Copper is continuously supporting the Temple administration since 4 years for carrying out day-to-day functions by appointing 5 people for the clean maintenance of the temple. While receiving the financial contribution Mr. PSSK Sankar Lingam, President - Sivan Temple committee thanked Sterlite Copper for its support towards the temple and said, "We are being regularly supported by Sterlite Copper for maintenance of the temple. We thank Sterlite Copper for always being in forefront to support any request towards preserving religious heritage".

Sri. Selvam Pattar, Head - Temple priest said that, "Lord Siva will bless Sterlite Copper and its officials as this company is supporting this temple for so many years and this special contribution will help us to prepare well for the upcoming Kumbabhishekam."

Disclaimer

This press release contains “forward-looking statements” - that is, statements related to future, not past, events. In this context, forward-looking statements often address our expected future business and financial performance, and often contain words such as “expects,” “anticipates,” “intends,” “plans,” “believes,” “seeks,” “should” or “will.” Forward-looking statements by their nature address matters that are, to different degrees, uncertain. For us, uncertainties arise from the behaviour of financial and metals markets including the London Metal Exchange, fluctuations in interest and or exchange rates and metal prices; from future integration of acquired businesses; and from numerous other matters of national, regional and global scale, including those of a political, economic, business, competitive or regulatory nature. These uncertainties may cause our actual future results to be materially different that those expressed in our forward-looking statements. We do not undertake to update our forward-looking statements.
