

EXPRESSION OF INTEREST

SUSTAINABLE & RESPONSIBLE DEVELOPMENT GREEN COPPER

Vedanta Limited, a subsidiary of Vedanta Resources Limited, is the world's leading Oil & Gas and Metals company, and one of the largest producers of Oil & Gas, Zinc, Lead, Silver, Copper, Iron Ore, Steel, and Aluminium & Power across India, South Africa, Namibia, and Australia.

Sterlite Copper, Vedanta Limited is looking for development of Green Copper by associating with partner/s in the following areas:

- Tie up for dedicated long-term manufacturing of high purity copper ingots from existing unit of partner or
- Setting up of a dedicated ancillary unit for the manufacturing of high purity Copper ingots in proximity to Vedanta's manufacturing locations
- Technical experts for consultancy services in sourcing, capacity building and manufacturing of Copper ingots

Potential partner must have expertise in sourcing and/or treating Copper, having a running asset or know-how to set up best-in-class processing facility, and required skilled manpower.

Interested parties having relevant experience and resources can submit expression of interest with following details: Company Profile, Experience, Client References, similar implementations and present commitments.

Expression of Interest to be submitted by Saturday, Oct 16, 2021; Email: TUTenders@vedanta.co.in
