Inviting EOI for Thermal Power Plant **Operation & Maintenance** at our Plants in Tamil Nadu

Vedanta, a future-focused and growth-oriented company is a fully integrated producer of Oil & Gas, Zinc - Lead - Silver, Aluminium, Power, Iron Ore & Steel, Copper, Nickel, Cobalt, Ferrochrome and Manganese, with a fast-growing metal recycling capacity, and a broad range of critical minerals. We are a dominant player in power generation, transmission, renewable energy solutions, optical fibre, display glass and soon semiconductors. With our world class, low-cost and long-life assets, Vedanta contributes 1.4% towards India's GDP.

Vedanta owns two coal-based thermal power plants in Tamil Nadu: a 160 MW (2x80 MW) facility located in Thoothukudi and a 128 MW (4x30 MW and 1x8 MW) plant at Mettur Dam in Salem.

An Expression of Interest (EOI) is invited from reputed Indian and global partners with experience and expertise in the revival, restart activities, and Operation & Maintenance (O&M) of coal-based thermal power plants. The scope of services includes similar work for our coal-based thermal power plants located at Mettur Dam and Thoothukudi, Tamil Nadu, on a **KPI-driven, end-to-end turnkey basis**.

The broad scope includes

- Conduct a detailed technical feasibility study and residual life assessment (RLA) of the existing 128 MW thermal power plant.
- Undertake revival, restart, and commissioning of both thermal power plants: the 160 MW (2x80 MW) plant at Thoothukudi and the 128 MW (4x30 MW and 1x8 MW) plant at Mettur Dam, Salem, to achieve guaranteed performance levels.
- Perform repair and rectification (mechanical, civil, EIA) of all structures, equipment, & buildings.
- Overhaul, refurbish, and replace plant machinery and equipment as needed.
- Commission plant and machinery to reach designed capacity.
- Manage operation and maintenance of both thermal power plants for a period of five years.

Business partners of good repute, with relevant experience, expertise, strong financials, delivery capabilities, and a commitment to environmental sustainability, are invited to participate in this EOI. Interested parties are encouraged to review the details and scan the QR to submit their EOI in the prescribed format on or before **18:00 hours, 14th Nov 2024**.
